JOSEPH & ALEXANDER
FATHER AND SON COLLECTION

Joseph & Alexander's Instagram feed is chock-full of sun-kissed images showing the brand's wares in their natural setting; these beach shorts are totally at home in and around the ocean. Plastic, however, should not be – which is why J&A founder

Alana Sorokin is on a sustainable mission, styling her eco-friendly fashion out of fabric that is made from plastic found floating in the sea (and the designs are even printed in eco-friendly ink). A short story truly worth sharing.
