# travel NEWS

*Keeping big and little globetrotters on the map and in the know*

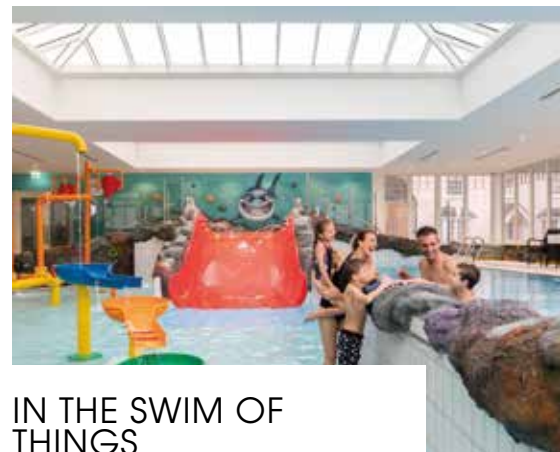

**WINTER WONDERLAND**

The four-star Sonnwies hotel in the Italian Dolomites now boasts 10 new rooms and an infinity swimming pool. Activities on offer include skiing, hiking and mountain biking. And with plenty of childcare available, parents can enjoy some romance too. [sonnwies.com](http://sonnwies.com)

**ECO WARRIORS**

Joseph & Alexander have brought out a collection of beachwear for kids made from recycled materials derived from plastic found floating in the world's oceans. In modern prints and vibrant colours, these look the part *and* help the planet. David Attenborough would be proud. [josephandalexander.com](http://josephandalexander.com)

**IN THE SWIM OF THINGS**

Families seeking a staycation this spring will love the offering at the Four Seasons Hotel Hampshire, set in a stunning estate just an hour from London. Brand-new, Sharkie's Reef is a family adventure pool with a four-metre slide, bubble jets and a rotating umbrella fountain. [fourseasons.com](http://fourseasons.com)

Sani Resort in Halkidiki has introduced a **new children's menu designed in close conjunction with leading nutritionists** and specialist chefs. The menu offers a selection of delicious healthy dishes with **gluten-free and sugar-free options, too.** [sani-resort.com](http://sani-resort.com)
